

NORCAL Girls Softball Association

Player exception to participate - Fall Ball

Overview:

Each league, part of USA Softball of Sacramento, has defined boundaries on file and must only accept players who reside or go to school within those boundaries. A copy of these boundaries may be obtained from the local league, from NorCal Girls Softball or from USA Softball of Sacramento office.

Players found to be playing in the wrong league will be deemed in-eligible for All-Stars (and therefore Fall Ball) for the current year and will be re-directed to the correct league for the following year.

Make the selection(s) that best represents the returning player:

- a) - played softball in Spring with Travel Ball team
- b) - played softball in Summer with Travel Ball team (Travel after May 1)
- c) - played softball in Spring with Rec League & Summer with Travel Ball team
